Some would label us non-denominational.

Some say we're "fundamental" "evangelical" or

You can just know that we are Christians who believe in the Bible and Love Jesus!

Now we GET OTHERS PLUGGED IN...

So where are we going? How will will we get there?

How can you fit in? What role would you play?

Our purpose is very outward focused, We love people and we believe God loves people.

Sure God loves people who are already His, (Christians),

but He really loves people who “have not” or “are not” walking with Him yet.

Our heart (as a local church) is to reach people that nobody else is reaching, by doing things that nobody else is doing.

1. Take a spiritual gifts test (find your calling) excel version
2. Get into a small group, [get to know people](#) (let people get to know you/ personality profile)
3. Talk to a leader and start volunteering
4. Continue growing spiritually at [BereanBibleClass.tv](#)

Our current location is temporary on 30th st, but we will soon purchase a mobile classroom to set in place at 2226 E Birch. Something like this...
