

A modern list of “spiritual” attributes:

(Not a Biblical one)

1. you can comfortably access a connection with different worlds
 2. unusual bond with animals
 3. very calm but with explosive feelings at times
 4. strong relationship with dreams and premonitions
 5. much more creative than other people.
 6. understand our oneness, unity and harmony with every living thing
 7. often feel magical and mysterious
 8. emit spiritual energy
 9. deep enlightenment of fantasy
 10. transcendent empathy with others emotions and feelings
-

Many of these may seem harmless individually but the culmination of worldly ideas apart from Christ and the Bible seem self serving.

Six-out-of-ten American adults accept at least one of these New Age beliefs. Four-in-ten believe in psychics and that spiritual energy can be found in physical objects.

What is the end of this “spiritual awakening”?

An philosophical eternity of reincarnation, Pantheism and Nirvana.

Not a Biblical born again Christ centered culture of the kingdom of heaven.
