I thank God

G Wandering into the night Wanting a place to hide С G This weary soul, this bag of bones G I try with all my might But I just can't win the fight C G I'm slowly drifting, a vagabond [Pre Chorus 1] D Em Just when I ran out of road С G I met a Man I didn't know D G С And He told me that I was not alone [Chorus] Am G He picked me up, He turned me around G С He placed my feet on solid ground Em С I thank the Master, I thank the Savior Am G Because He healed my heart, He changed my name G С For - ev - er free, I am not the same Em C I thank the Master, I thank the Savior G I thank God

[Verse 2] G I cannot deny what I've seen There's no choice, but to believe С G My doubts are burning, like ashes in the wind G So long to my old friends Burden and bitterness G С Just keep it moving, you ain't welcome here [Pre Chorus 2] D Em From now till I walk the streets of gold, С G I'll sing of how you saved my soul G/B С D This wayward son has found his way back home [Chorus] [Bridge x4] G Hell lost another one I am free, I am free, I am free [Chorus]
