

## Away in a Manger

E                      A              E  
Away in a manger no crib for a bed  
B                      A                      E  
The little Lord Jesus laid down His sweet head  
E                      A                      E  
The stars in the sky looked down where he lay  
B                      A                      E  
The little Lord Jesus asleep on the hay

E                      A              C  
Be near me Lord Jesus I ask thee to stay  
B                      A                      E  
Close by me forever and love me I pray  
E                      A                      E  
Bless all the dear children in thy tender care  
B                      A                      E  
And fit us for Heaven to live with thee there
