We are a non denominational church meeting Sunday mornings at 10:30 with a live band, Bible teaching and friendly

faces who want to meet you! We also have small groups for men and women on Weds nights. Call us if we can serve your family in any way. We also have an outreach to youth with paintball, archery,

zipline and a small animal farm at youthfield.com.

We do groups for birthday

parties, church youth groups and after school programs.

Call for a reservation. The "Community Activity Center" is available for any kind of indoor activity.

We also lead a program for Transitional Housing. [THPENID.com](http://thpenid.com) is a short term re entry program for those who have experienced a set back in life.

That might include divorce,

unemployment, or incarceration. We are blessed with 4 acres to serve your family. Come enjoy what we have to offer or call if you have any questions.
